Exhibit "D"Water and Wastewater Miscellaneous Service Charges

Note: If water and wastewater services are provided, only a single charge is appropriate unless circumstances beyond County control require multiple actions.

Charge Type	Effective: October 1, 2016	Description of Charge
Initial Connection	\$ 70.00	This charge would be levied for service initiation at a location where service did not exist previously.
Initial Connection Outside Business Hours	\$ 240.00	Initial connection charge where customer requested service outside of the normal business day hours of 8:00 a.m. to 4:00 p.m.
Normal Connection	\$ 60.00	This charge would be levied for transfer of service or reconnection for a new customer account at a previously served location.
Connect/Reconnect Outside Business Hours	\$ 225.00	Normal connection charge where customer requested service outside of the normal business day hours of 8:00 a.m. to 4:00 p.m.
Premises Visit	\$ 55.00	This charge would be levied for: <ul style="list-style-type: none"> <li>• Customer requested meter re-read when the initial read was not in error</li> <li>• Premises visit for any reason at the request of the customer or as needed by the Utility</li> <li>• Delinquent payments received after turn-off work order has been generated, but before service has been disconnected</li> <li>• Each return trip to perform maintenance and/or activate service because work requested by the customer could not be completed during first scheduled visit</li> </ul>
Violation Disconnection	\$ 80.00	Charge for disconnection of service for cause, including non-payment or delinquency in bill payment.
Violation Reconnection	\$ 60.00	This charge would be levied each time service has to be reconnected for existing customers who have been disconnected for non-payment or delinquency.
Violation Reconnection After Business Hours	\$ 220.00	This charge would be levied if service is reconnected outside of the normal business day hours of 8:00 a.m. to 4:00 p.m. due to non-payment.
Temporary Disconnect Turn-Offs or Turn-Ons	\$ 55.00	This charge would be levied for seasonal turn-off or turn -on upon the request of the customer.
Late Payment Charge	Greater of \$ 5.00 or 5% of each bill	When a utility bill is delinquent and a written notice has been issued, the County shall impose a monthly late charge on the delinquent amount.
Covered, Obscured or Inaccessible Meters	\$ 95.00	Charge levied to cover additional meter reading costs due to an inaccessible meter. Inaccessibility includes indoor meters, meters locked inside perimeter fences, and meters in yards with dogs.
Reading or Picking up a Hydrant Meter for Non-payment	\$ 55.00	Charge levied for reading or picking up a hydrant meter due to non-payment.
Returned Payment Charges:		
Amount <= \$50	\$ 25.00	Charge reflects the added cost to the utility for processing a returned check and pursuing repayment. Any bank fees incurred by the County may also be charged to the customer's bill.
Amount > \$50 and <= \$300	\$ 30.00	
Amount > \$300	\$ 40.00	

Exhibit "D"Water and Wastewater Miscellaneous Service Charges

Note: If water and wastewater services are provided, only a single charge is appropriate unless circumstances beyond County control require multiple actions.

Charge Type	Effective: October 1, 2016	Description of Charge
Construction Fee (Temporary Connection)	\$ 240.00	Charge for water connections for construction trailers and other temporary facilities requiring plumbing during building construction.
Meter Bench Test Fee	Actual Cost	Charge for testing water meter accuracy and for calibration, upon customer request.
Meter Change-Out	Actual Cost	Charges assessed when a customer requests changing the meter to a different size, but the utility deemed it as unnecessary.
Meter Relocation	Actual Cost	When a water meter needs to be relocated, the costs of the relocation are typically paid for by the party requiring the relocation.
Hydrant Flow Test	\$ 105.00	Charge levied for testing conducted to measure pressure adequacy of hydrants for firefighting purposes.
Locate Sewer Connection	\$60.00 per hr	Charge levied for physically locating a sewer connection.
Meter Removal/Service Tampering:		Charge levied for any attempt to interfere with or prevent the proper registration of a meter, to tamper with or work on a meter without the written permission of NAU, and to install any wires or other device which will cause service to pass through or around a meter without the passage of such service being registered fully by the meter.
First Offense	\$ 250.00	
Repeat Offense	\$ 500.00	
Improper Standby System Use		
First Offense	\$ 100.00	Charge levied for using water provided by the standby system for other than fire protection or testing purposes.
Repeat Offense	\$ 250.00	
Fire Line Connections - Tap Fees:		
4"	Actual Cost	Charge for connecting to an NAU fire line for fire protection.
6"	Actual Cost	
over 6"	Actual Cost	
Plan Review Charge unless Covered under Water & Sewer Agreement	\$80.00 per sheet	Cost of extraordinary engineering service where substantial engineering design and study is required.
Inspection Charge unless Covered under Water & Sewer Agreement	\$120.00 per visit	Charge levied to defray cost of administering and monitoring a new connection to the utility system before service is required, or to inspect for leaks. County-side leak inspection cost is waived.
Meter Rental Charge	\$25 per month	Charge levied for use of NAU owned meters
