

## Nassau County Animal Services

### Goals for FY 16/17

- Launch email support system to provide outreach for adopters to ask questions or have their concerns address by a NCAS staff member
- New addition of cattery enclosure to provide a socialization area for the cats and allows adopters to spend time with animal's
- Work with Nassau County Schools to create opportunities to educate students on animal welfare and enrichment

### Accomplishments for FY 15/16

- ✓ Hired a veterinarian therefor reducing the need for outsourcing animal care at additional cost
- ✓ Increased live release rate to 92%
- ✓ Euthanasia rates have been reduced an additional 20% from previous year
- ✓ Attended seven (7) offsite adoption events
- ✓ Have been working with animal behaviorist to help the animal's with behavioral issues becoming a more adoptable pet
